Homeowner's Wastewater Treatment System Assessment Form

The Town of Torrey Wastewater Law requires the evaluation of certain features of a structure in order to complete inspections in compliance with the town regulations.

If a homeowner does not wish to provide the town's watershed inspector access to a structure to determine these conditions, the owner must complete and attest to the following information.

Owner name & address: _____

Property location: _____

Number of bedrooms this structure is designed for: _____

Does all of the wastewater from this structure discharge to a septic tank, enhanced treatment unit, holding tank or pump tank before entering the soil absorption system?

If this structure is equipped with a water softening system, is the discharge connected to the wastewater treatment system? _____
