52.67-1-6 Carl Olson Estate 2199 Hansen Harbor Penn Yan, NY 14527  
52.67-1-7 Terry Donahue & Kathleen Mc Grath 2205 Hansen Harbor, PY NY 14527

Torrey Planning Board recommended approval of this application on 4/17/17 with the advice that the Zoning Board investigate optional approaches.

Dan Long appeared to present the application site plan for the Mofte's. Plans are to construct a 18' x 18' addition on pier foundation to their existing cottage. The two small bedrooms on first floor are being replaced by a large living area. Top floor of new addition will be a master bedroom with walk in closet. Both adjacent properties are situated in front of this one so the addition will not impede anyone's view. Side setback variance is needed as the neighboring property to the North built their garage over the property line ten years ago and a variance of 5 feet is requested.

No one appeared to speak in favor or opposition of this application.

Board members had no questions, therefore Chris closed the public hearing on # 17-15 at 7:24 PM

Application Area Variance 17-16 application of Mark Fultz, dba Abtex Corp 89 Main Street, Town of Torrey. Abtex property is located partially in the Village of Dresden and in the Town of Torrey. The site of this sign area variance is in the Town of Torrey.

Chairman read list of property owners notified per Town Law Sec 267 Art.  
Mailed out by the clerk's office.

39.83-1-2 Paul Perrotto 758 Pre Emption Rd Geneva NY 14456

Yates County Planning Board recommended approval of this application on 4/27/17.

Mark Fultz appeared on behalf of his application. Stated due to growing company and branding business there is a need to update the 20+ year old business sign

No one appeared to speak in favor or opposition of this area variance application.

JM questioned setting a precedence, he referred to a large sign on side of a barn that was ordered to be removed because of size 16' x 24' . The sign he was referring to was an off- premises business sign which per zoning code regulations was too large ( 16 ' x 24') Off premises signs are maximum coverage 6 sq 'per side.

The Abtex sign is an on- premise sign which maximum size allowed is 32 sq ' per side.

There being no further discussion by audience or board members, Chairman thanked all present and closed the public hearing at 7:23PM

Respectfully submitted,
