JM made a motion 2nd by Tony to send a letter inquiring if Pat still is interested in serving
the Town of Torrey as a member of this board, if not he is required to tender his resignation
to the clerk. Motion carried.

Brief discussion regarding 2009, it was a quiet uneventful year for the ZBA compared to
past recent years. With the Zoning Revision Committee draft near completion, Sub Division
Laws being drafted, Docking & Mooring Law being drafted in Seneca County for Seneca
Lake, Site Plan Law to be drafted, there will no doubt be new zoning issues in 2010.

Thank you members for your dedication to the Town serving on this board.

Respectfully submitted,

Betty M. Daggett
