

Town Board Minutes

Present: Supervisor Patrick Flynn Councilmen: Peter Martini, Lawrence Martin, Grant Downs

Mr. Flynn led the pledge of Allegiance.

Assessor Patricia Brede appeared before the board for an update on future plans. There will be a shortage of assessors due to retirements and lack of interested replacements. County did a study on a Countywide Assessor and found it would not be financially cost effective. Mrs. Brede is planning to retire in 2023, she would like to hire and begin training a clerk now. There has not been a clerk for Torrey/Benton in over 10 years. There are many facets of responsibility in the Assessors job. It is budgeting time so she is making the Town aware of this request be considered in the budget for assessor. Mrs. Brede is presenting this report to Benton at their meeting tomorrow night.
