### **A Note from Town Supervisor Peter Martini**

Greetings Town of Torrey Residents,

I would like to thank the residents of Torrey for giving me the opportunity to serve as your new Supervisor. I also want to thank Pat Flynn for his years of service to the Town, knowing that I have ‘big shoes’ to fill. I will do my level best to do so.

Some of the the things we have been working on so far this year:

Due to the increased costs for Water District 1 we held a public meeting on January 25th with Jeremy DeLyser the engineer from Clark Patterson and Lee(CPL) and Mary Chappell from Municipal Solutions. Residents received an update on the project and were able to ask questions and voice their opinions. Following the hearing, the Town Board approved a “Resolution

and Order Approving an Increase in the Maximum Amount to be Expended in the Town of Torrey Water District 1". This resolution was subject to a 30 day permissive referendum which ended on February 25, 2022 with no petition for a vote being filed. Then the process was started to re-apply to the NYS Comptroller for approval, which upon successful adoption at the April meeting of the Town Board will be sent along to the Comptroller. We are still hopeful for construction to begin sometime this summer.

We also contracted with an attorney with the firm Bond, Shoeneck, and King to review a proposed contract between the Village of Dresden and the Town of Torrey to apply water for the Perry Point Water District (WD2). His opinion and suggested alterations have been sent to the Village.

There is interest, along with the Towns of Starkey and Milo, to create a water system for the Route 14 corridor. Be on the lookout for a letter from the Town with a link to a survey to gauge interest. It would be great to get a good number of responses, so thank you in advance for taking the time to complete the survey!

I want to thank the hard working folks in our Highway Department for getting us through another winter! They do a tremendous job keeping our roads safe. I also would like to thank Town Clerk Betty Daggett for all her hard work and for helping me to assume the responsibilities as your new Supervisor!

Best Regards,

Peter Martini

**From the Desk of the Town Board:**

- The Town Board meets the second Tuesday of the month at 7:30pm
- The Town Board at the April 12th meeting approved the proposed Water Contract with the Village of Dresden for the Perry Point Water District (WD2).

- The Town Board is reviewing its **Hazardous Mitigation Plan** in conjunction with the Yates County Office of Emergency Services. This review is required to be done every five (5) years.

A representative of the District Attorney and a member of the Public Defender's office also appear at CAP arraignments to make recommendations on holding or releasing defendants or requiring bail.

**From the Desk of Town Watershed Inspector (*Yates Cty Soil & Water*)**

The Town's inspectors can be contacted at the Yates County Soil and Water Conservation Department 315- 536-5188.

Yates County Soil and Water led by Colby Petersen is working with the Town of Torrey Highway Department in the remediation at the Town Park through a Yates County Natural Resource and Recreation Grant.

Yates County Soil and Water led by Colby Petersen is working with Ian Smith, Seneca Lake Watershed Steward, in the implementation of a Yates County Natural Resource and Recreation Grant for flood control of sediment and nutrients in sections of the Keuka Outlet.

In November of 2014, the Town of Torrey passed a local Wastewater Law effective January 1, 2015. Under the new law, any onsite wastewater treatment system within 200' of Seneca Lake or a DEC classified stream is required to be inspected every 5 years. The cost of the inspection is borne by the Town of Torrey (unless this is a property transfer). However any pumping of the septic or repair is a cost to the homeowner. We are now in year 8 of these inspections.

The Town's inspectors can be contacted at the Yates County Soil and Water Conservation Department 315- 536-5188.
