Josh Williamson appeared on his application. This is an accessory building that he added trusses to for more storage adding the extra height. Following this build he plans on building his home on this property and will store building materials in this accessory structure during the home construction.

Kay Benesh of City Hill Rd, a neighbor to this property, inquired if this was going to be a business operation. Mr. Williamson stated no it will be his home. Discussion as to why the accessory structure is being built first and where is the home to be built on the property.

Mr. Williamson explained the plans for his property, the accessory building is for storage

Mrs. Benesh asked about the use of the upstairs in this structure, will it have living quarters,

Mr. Williamson said no living quarters in the assessor building.

No one appeared to speak in support or opposition of this application,

Mark thanked Mr. Williamson for his attendance at this hearing, and then moved on to the next application

Special Use Modification application # 25-2 of Marvin & Harold Zimmerman DBA Pine Ridge Tire & Automotive, 2857 Rte. 14 to construct a 25' x 65' addition to northside of existing building, expanding the work area of business. An application for modification is required, as the original footprint of Special Use Permit # 17-14 at 2857 Rte. 14 will be increased.

Yates County Planning Board on May 29, 2025 recommended approval as this application has no countywide impact.

Town of Torrey Planning Board on June 16th, 2025 recommended approval of this application.

Town Law Section 267 Art. 16 All property owner(s) within 500' of property line of land affected by a zoning change must be notified.
